

Federation Vision Plan

ETHOS

“Two world class schools at the heart of their communities”

AIMS

1. To enable students to be:
 - Citizens for the 21st Century in the global community, with excellent ICT skills
 - Problem solvers
 - Creative thinkers
 - Team players
 - Innovators
 - Aspirational, for themselves and the community, with a desire to make a positive contribution
 - Entrepreneurial and adventurous
 - Lifelong learners
 - Safe and healthy
2. For the schools to be a focus for the whole community, engendering a sense of pride
3. To work in partnership with
 - The business sector
 - Further Education
 - Higher education
 - ensuring students are equipped with the relevant skills for the workplace
4. To be inclusive in all we do

HOW WE ACHIEVE THIS

- Provide a flexible and challenging curriculum with the emphasis on “stage” rather than “age” and Personalised Learning
- Encourage students to be self confident
- Open minds to the global dimension
- Foster the extended schools agenda
- Closely link with parents and the community, valuing their views
